The First Annual

Cardiac Networks United Meeting

November 3rd, 2019

12:00-9:00 PM

The Michigan League, Ann Arbor, MI

This joint meeting will include clinicians, researchers, and families from PC⁴, PAC³, ACTION, CNOc, NPC-QIC and the Multi-Societal Database Committee.

The Cardiac Networks United meeting will feature:

- Updates on integrated scientific and QI projects across the networks
- Special session hosted by CNOc on current topics in neurodevelopmental outcomes science and network-wide research opportunities
- QI training sessions hosted by the Cardiac Networks United QI Core (both Beginner and Advanced courses offered)

The meeting will be followed by a cocktail hour with appetizers and socializing.

Please contact your Network Project Manager or the following Cardiac Networks United contacts for more information:

Justin Flees (fleesj@med.umich.edu) & Michael Gaies (mgaies@med.umich.edu)
